MOST IMPORTANTLY:

Working at an ice cream shop is lots of fun but it is also hard work. Customers can be demanding, it gets crazy busy, and you have to come to work on nights when your friends are off doing something else. You have to be willing to pick up trash, mop floors, and wash endless dishes. You need to be perfectly honest as you will be handling money that is not your own. Please tell us why you want to work at Lovejoy's and how you will excel knowing that this job can be difficult as well as us having high expectations as your employer.
